

Auditions for PAG play, "Out Of Sight.....Out Of Murder"

The audition date for the above play will be Thursday, February 6th in the afternoon (probably starting at 3pm). In the event you cannot make that date, a secondary date and time would be Saturday, February 8th in the afternoon. Both days will be in the Gold Room.

The Director of the show, Davey Jones, and Assistant Director, Stuart Lisk will be involved in "running" the process and making decisions about casting those that best fit the roles.

You will not need a script for the audition since sides (snippets of dialogue) will be handed to those to read together in couples or groups. You should read the script before hand and have an idea of at least one or more roles you would prefer. You might be asked to take a different role than preferred.

Rehearsal dates have yet to be determined, but will start soon after auditions and run through February, March and April. Show dates are Thursday, Friday, Saturday, May 1, 2, 3. You will be expected to make most, if not all, of the rehearsals. The week of the show will have dates/times from Sunday through Wednesday that cannot be missed.

If you have a script already you might be asked to return it to Davey if demand for them increases. To pick up a script contact Davey at gcrebels@yahoo.com or call 520 399 4222 (This number does not take texts)

Davey and Stuart are excited about this project and hope to "point you in the right direction."
